

# Patient Participation Group Meeting

Thursday

19<sup>th</sup> January 2017  
starting at 2:00pm

The meetings are open to all patients registered with the practice and give the opportunity for:

- The practice and patients to discuss topics of mutual interest
- Provide a means for patients to make positive suggestions about the practice and their own health care
- Encouraging health education activities within the practice
- Developing self health projects to meet the needs of fellow patients
- Acting as representatives to influence the provision of health and social care
